

**Brian T. O'Neill***Syndicated and Corporate Lending Operations*

Brian O'Neill is a Senior Vice President and the Group Operations Manager for Syndicated and Large Corporate Loan Operations at Bank of America. He manages the day to day Servicing Operations for the Syndicated and Large Corporate portfolios. In addition to Servicing Operations he also manages the Assignment Desk and the execution of primary and secondary assignments, providing trade settlement leadership and operational support globally. In addition to his operational experience, Brian has an extensive background in risk and change management. Brian has worked at Bank of America for more than 13 years in a variety of roles within Global Banking Operations. Prior to joining Bank of America, Brian worked for Citizens Financial Group.

Brian earned his B.A. from the University of North Carolina, Charlotte. He is a Six Sigma Green Belt, and has Project Management Certification from Boston College. Brian is a recipient of the Bank of America APEX award for his leadership efforts in standardizing legal documentation across multiple business units significantly reducing operational risk. Most recently, Brian has been recognized for his leadership and execution in the bank's Wholesale Credit transformation strategies.
