

**N**icole Henry is responsible for developing relationships with existing and prospective clients of Loan Ecosystem Online (LEO). She joined LEO to pursue her passion & determination in closing the gap between user needs and technology solutions.

Nicole previously spent 13 years at Bank of America, Leveraged Finance Capital Markets. Nicole coordinated multimillion/billion-dollar syndicated loans throughout the loan process from execution to closing. Nicole was the liaison between deal teams, Capital Markets desk, Sales desk, Agency, Fulfillment, Assignment desk, Credit Services, Internal & External Legal, Compliance, Risk and Buy Side Clients. Nicole led the initiative to further develop a streamlined process for all amendments, re-pricings, and Amend and Extends.
