

**Michael W. Richardson**  
Northern Trust  
Vice President, Senior Consultant  
Alternative Asset Services

**Professional Experience** Michael currently supports the Syndicated Bank Loan Team in Northern Trust 's Alternative Asset Services division with partners in Chicago, Tempe, Limerick and Bangalore specializing in custody and middle office services, and is responsible for the introduction and integration of end to end process automation leveraging IHS/Markit's Custodian Services data connections. As a Senior Consultant Michael serves as a SME for our bank loan operating model and supports many functions of the organization. This includes assisting our front office with client presentations, RFPs, sales opportunities, and system demos. In his role Michael also supports our middle/back office with new client implementations, process model developments, and system enhancements that enable our partners to provide superior client service through an efficient scalable operation.

**Credentials and Affiliations**

BA in Business Administration from Governors State University  
Current member of the LSTA and contributes to the Custodian/Trustee workgroup
