

## **LSTA's Podcast on LSTA's Form of Assignment Agreement**

July 26, 2018 - The LSTA has added a podcast on “The LSTA’s Form of Assignment Agreement” to its Podcast Series. The Podcast Series was launched this year at the request of its younger members who asked for short introductory level videos that addressed primary or secondary loan market topics. In the latest podcast, Bridget Marsh, LSTA’s EVP and Deputy General Counsel, highlights issues that may arise when drafting the form which is then attached as an exhibit to the applicable credit agreement and explains other issues which may arise when completing the form as an assignor/assignee. Importantly, the LSTA’s Form of Assignment Agreement has been drafted so that parties need not tailor the agreement depending on the identity of each assignee. In this way, electronic settlement platforms do not need to create “pop-ups”, ie, questions which appear or “pop-up” on the screen of the person completing the assignment agreement and which must be answered before the assignment agreement can be populated and finalised. By avoiding “pop-ups”, the loan market can operate more efficiently, for trades will be able to settle more promptly. Please contact Bridget Marsh to submit ideas for future podcasts.
