

Analyst – Bank Loans (29253)

Description

As one of the world's leading asset managers, we are solely dedicated to delivering an investment experience that helps people get more out of life. If you're looking for challenging work, smart colleagues, and a global employer with a social conscience, explore your potential at Invesco.

The Department

As a premier investment organization, the Invesco Bank Loan Team offers a full product line of investment options to both retail and institutional and retail investors. This opportunity with the Bank Loan Oversight and Administration Team will provide support to the portfolio management and investment team covering client servicing, internal reporting and product performance analysis

Your Role

- Responsible for the development and timely/accurate production of scheduled and adhoc daily/weekly/monthly reporting requirements for internal/external clients (IE, marketing & CPM team, CLO's & Institutional clients and the investment team)
- Ensure and maintain the data quality and integrity of the critical information that supports the business. Complete data mining, from a variety of internal & external sources, and analysis for Bank Loan clients.
- Liaise with clients and internal partners on new product set-up and ongoing product support to continually evaluate support needs, define business requirements, access options and propose solutions
- Proactively assess processes and procedures to improve efficiency and effectiveness of the team while improving the oversight and control in key areas

The experience you bring:

- 0-3+ years work experience preferred
- Experience in a reporting / product oversight role is preferred
- Compliance, risk management, audit, or regulatory experience is a plus
- Experience in the investment management space is a plus
- An understanding of the security/loan market and fund operations is a plus
- Aptitude for detail and a strong dedication to accuracy
- Excellent quantitative and qualitative analysis skills

- Ability to conduct analysis and present data in a meaningful way
- Proficient user of Microsoft Office, Excel, Access and Word
- Working knowledge of Wall Street Office is a plus
- Ability to work independently and follow through on projects
- Self-motivated, ability to multi-task and complete tasks upon assignment
- Team Oriented, team player
- Open minded, flexible, and willing to listen for other people's opinions
- Excellent verbal and written communication skills and effective interpersonal skills
- Bachelor's Degree required; business (Finance/Accounting) degree preferred

Open to NYC candidates as well.

What's in it for you?
